6. ACCIDENTAL RELEASE MEASURES (Steps to be taken for spills or releases)	6. ACCIDENTAL RELEA	SE MEASURES	(Ste	ps to be taken f	or spills o	r releases)		
Surround with noncombustible absorbent material. Place in sealed metal container. Mop with hot detergent solution.			ial. Place in	sealed metal c	ontainer.	Mop with hot det	ergent so	lution.
7. HANDLING AND STORAGE	7. HANDLING AND STO	RAGE						

Store in cool, dry well ventilated areas. Avoid direct sunlight. Keep out of children's reach. Avoid heat, sparks, flames, ignition sources.

N/A Ancient Attar Pure-Fume Aroma Spray

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Personal protective equipment required (for leak or spill). Follow good housekeeping and hygienic work practices.

Ventilation Requirements: O Local exhaust Mechanical / general O Special

Respiratory Protection: Wear NIOSH approved organic vapor respirator when handling large quantities or cleaning spill.

Skin Protection: Wear nitrile or neoprene gloves when handling large quantities or cleaning spill.

Eye Protection: Wear splash goggles when handling large quantities or cleaning spill.

Other: Apron and SCBA recommended when cleaning large spills.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance/physical state:	yellow clear mobile alcoholic liquid		
Odor:	floral w/ woodsy undertone	pH:	n/a
Specific gravity (H2O=1):	0.82-0.83	Solubility in water:	insoluble
Boiling point:	n/d		
Other:	n/a		

10. STABILITY AND REACTIVITY

Stable O Unstable

Conditions to avoid:heat , sparks, flames, ignition sourcesIncompatibility:Strong acids, bases, oxidizing agents.

11. TOXICOLOGICAL INFORMATION

Acute: May cause eye and skin irritation. May be harmful if swallowed.

- Chronic: Repeated exposure may cause allergic contact dermatitis in sensitive individuals.
 - Other: None known.

12. ECOLOGICAL INFORMATION

Ecotoxicity: Not determined. **Environmental fate:** Not determined.

13. DISPOSAL CONSIDERATIONS

Rinse containers before recycling or discarding.

Hazardous characteristics:flammable liquid; may cause irritationWaste disposal methods:Follow all local, state, and federal regulations.Consider recycling or reclaimation.

14. TRANSPORT INFORMATION

DOT Classification (bu	Class 3	PG	II		
IATA Classification (bu	Class 3	PG	II		
Other:	Not applicable				

15. REGULATORY INFORMATION

N/A

16. OTHER INFORMATION

Refer to product label and ingredient listing for directions and precautions.
