## N/A Men Pure-Formance Dual Action Aftershave

8. EXPOSURE CONTROL/PERSONAL PROTECTION		·
Personal protective equipment required (for leak or spill). Follow good hou Ventilation Requirements: O Local exhaust Mechanical / general	1 0 10	-
Respiratory Protection: Wear NIOSH approved organic vapor respirator	r when handling la	rge quantities or cleaning spill.
Skin Protection: Wear nitrile or neoprene gloves when handling large quant	tities or cleaning sp	pill.
<b>Eye Protection:</b> Wear splash goggles when handling large quantities or clear	aning spill.	
Other: Always wear gloves when handling. Apron recommende	d. Provide adequ	ate ventilation.
9. PHYSICAL AND CHEMICAL PROPERTIES		
Appearance/physical state: Off-White to Slight Yellow Smooth Lotion		
Odor: characteristic/mild	pH	<b>I</b> : 4.4 - 5.0
Specific gravity (H2O=1): app 1.0	Solubility in water	r: dispersible
Boiling point: $n/a$		
Other: n/a		
10. STABILITY AND REACTIVITY		
Stable O Unstable		
Conditions to avoid: $n/a$		
Incompatibility: Strong acids, bases, oxidizing agents.		
11. TOXICOLOGICAL INFORMATION		
Acute: None known.		
Chronic: Not determined.		
Other: Not determined.		
12. ECOLOGICAL INFORMATION Ecotoxicity: Not determined.		
Environmental fate: Not determined.		
13. DISPOSAL CONSIDERATIONS		
Rinse containers before recycling or discarding. Hazardous characteristics: Considered nonhazardous		
Considered nonnazardous	Consider month	l'
, <i></i> , <i></i> , <i></i>	. Consider recycl	ing or reclaimation.
14. TRANSPORT INFORMATION		
DOT Classification (bulk/mass product): not regulated		
IATA Classification (bulk/mass product): not regulated		
Other: Not applicable		
15. REGULATORY INFORMATION		
N/A		
16. OTHER INFORMATION		
Defer to product lobel and ingradient ligting for directions and presentions		

Refer to product label and ingredient listing for directions and precautions.
