|   | 2. HAZARDS IDENTIFICATION  |           |  |
|   |  |           |  |

**Classification** 

OSHA Regulatory Status

This material is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200)

## Label elements

The product contains no substances which at their given concentration, are considered to be hazardous to health

Hazards not otherwise classified (HNOC) Not applicable

## Other Information

Unknown acute toxicity

83.2% of the mixture consists of ingredient(s) of unknown toxicity

## **3. COMPOSITION/INFORMATION ON INGREDIENTS**

#### Mixture

| Chemical Name               | CAS No.    | Weight-% |
|-----------------------------|------------|----------|
| TITANIUM DIOXIDE (CI 77891) | 13463-67-7 | 7 - 13*  |

| MICA  | 12001-26-2 | 1 - 5* |
|---|------------|--------|
| *The exact percentage (concentration) of composition has been withheld as a trade secret. |            |        |

## 4. FIRST AID MEASURES

#### Description of first aid measures

| General advice   | No hazards which require special first aid measures.   |  |
|--|--|--|
| Eye contact  | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.                        |  |
| Skin contact   | Wash with soap and water. In the case of skin irritation or allergic reactions see a physician.  |  |
| Inhalation   | Remove to fresh air. If symptoms persist, call a physician.  |  |
| Ingestion  | Not an expected route of exposure. Clean mouth with water and drink afterwards plenty of water. Call a physician or poison control center immediately. |  |
| Self-protection of the first aider   | Use personal protective equipment as required.   |  |
| Most important symptoms and effects, both acute and delayed                |  |  |
| Symptoms   | None known.  |  |
| Indication of any immediate medical attention and special treatment needed |  |  |

Note to physicians

Treat symptomatically.

## **5. FIRE-FIGHTING MEASURES**

## Suitable extinguishing media

Use CO2, dry chemical, or foam.

Unsuitable extinguishing media Caution: Use of water spray when fighting fire may be inefficient.

## Specific hazards arising from the chemical

Sealed containers may rupture when heated.

## Explosion data

Sensitivity to Mechanical Impact No information available. Sensitivity to Static Discharge No information available.

## Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## 6. ACCIDENTAL RELEASE MEASURES

#### Personal precautions, protective equipment and emergency procedures

| Personal precautions                                 | Enact facility's spill response plan. Remove all sources of ignition. Wear protective gloves/protective clothing and eye/face protection. |  |
|--|---|--|
| Environmental precautions                            |   |  |
| Environmental precautions                            | Prevent product from entering drains. Dispose of contents/container to an approved waste disposal plant.                                  |  |
| Methods and material for containment and cleaning up |   |  |
| Methods for containment                              | Prevent further leakage or spillage if safe to do so. Dike to collect large liquid spills. Collect  |  |

|   | spillage.  |   |   |
|---|--|---|---|
| Methods for cleaning up   | Clean contaminated surface                             | ce thoroughly.  |   |
|   | 7. HANDLING A  | AND STORAGE   |   |
| Precautions for safe handling   | -  |   |   |
| Advice on safe handling   | accordance with good indu<br>equipment as required. En | Keep away from heat/sparks/open flames/hot surfaces. — No smoking. Handle in accordance with good industrial hygiene and safety practice. Use personal protective equipment as required. Ensure adequate ventilation, especially in confined areas. Do not eat, drink or smoke when using this product. |   |
| Conditions for safe storage, in   | cluding any incompatibilities                          |   |   |
| Storage Conditions  | Keep in properly labeled c use.                        | Keep in properly labeled containers. Keep containers upright and tighly closed when not in use.   |   |
| Incompatible materials  | None known.  |   |   |
| 8   | . EXPOSURE CONTROLS                                    | PERSONAL PROTECTIO  | Ν   |
| Control parameters  |  |   |   |
| <b>Exposure Guidelines</b> The following ingredients are the only ingredients of the product above the cut-off level (or level that contributes to the hazard classification of the mixture) which have an exposure limit applicable in the region for which this safety data sheet is intended or other recommended limit. At this time, the other relevant constituents have no known exposure limits from the sources listed here. |  |   |   |
| Chemical Name   | ACGIH TLV  | OSHA PEL  | NIOSH IDLH  |
| TITANIUM DIOXIDE (CI 77891)<br>13463-67-7   | TWA: 10 mg/m <sup>3</sup>                              | TWA: 15 mg/m <sup>3</sup> total dust  | IDLH: 5000 mg/m <sup>3</sup>  |
| MICA<br>12001-26-2  | TWA: 3 mg/m <sup>3</sup> respirable fraction           | TWA: 20 mppcf <1% Crystalline silica  | IDLH: 1500 mg/m³<br>TWA: 3 mg/m³ containing <1%<br>Quartz respirable dust |
| NIOSH IDLH Immediately Dang   | erous to Life or Health                                |   |   |
| Appropriate engineering contr   | ols  |   |   |
| Engineering Controls  | Eyewash stations. Shower                               | rs. Ventilation systems.  |   |
| Individual protection measures  | s, such as personal protective                         | equipment   |   |

| Eye/face protection            | Wear safety glasses with side shields (or goggles).  |
|--------------------------------|--|
| Skin and body protection       | Wear protective gloves and protective clothing.  |
| Respiratory protection         | In case of insufficient ventilation, wear suitable respiratory equipment.  |
| General Hygiene Considerations | Handle in accordance with good industrial hygiene and safety practice. Regular cleaning of equipment, work area and clothing is recommended. |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

| Physical state | Solid             |
|----------------|-------------------|
| Appearance     | match to standard |
| Odor           | match to standard |
| Color          | match to standard |

Values

| Property                      |
|-------------------------------|
| pH                            |
| Melting point/freezing point  |
| Boiling point / boiling range |
| Flash point                   |
| Burn rate                     |
| Burn time                     |
| Evaporation rate              |
| Flammability (solid, gas)     |
| Flammability Limit in Air     |
| Upper flammability limit:     |
| Lower flammability limit:     |
| Vapor pressure                |
| Vapor density                 |
| Specific Gravity              |
| Water solubility              |
| Solubility in other solvents  |
| Partition coefficient         |
| Autoignition temperature      |
| Decomposition temperature     |
| Kinematic viscosity           |
| Dynamic viscosity             |
| Explosive properties          |
| Oxidizing properties          |
|                               |
|                               |

#### **Other Information**

Softening point Molecular weight VOC Content (%) Density Bulk density

No information available No information available No information available Not applicable Not combustible Not applicable No information available No information available

No information available No information available No information available No information available No information available

## **10. STABILITY AND REACTIVITY**

## **Reactivity**

No data available

#### **Chemical stability**

Stable under recommended storage conditions.

#### **Possibility of Hazardous Reactions**

None under normal processing.

## Conditions to avoid

Extremes of temperature and direct sunlight.

## Incompatible materials

None known.

## **Hazardous Decomposition Products**

None known based on information supplied.

## **11. TOXICOLOGICAL INFORMATION**

## Information on likely routes of exposure

| Product Information | No data available  |
|---------------------|--------------------|
| Inhalation          | No data available. |
| Eye contact         | No data available. |

#### Skin contact

No data available.

## Ingestion No data available.

## **Component Information**

Data within this section obtained from international chemical toxicological profiles.

| Chemical Name                             | Oral LD50           | Dermal LD50 | Inhalation LC50 |
|---|---------------------|-------------|-----------------|
| TITANIUM DIOXIDE (CI 77891)<br>13463-67-7 | > 10000 mg/kg (Rat) | -           | -               |

#### Information on toxicological effects

Symptoms

No information available.

#### Delayed and immediate effects as well as chronic effects from short and long-term exposure

| Sensitization<br>Germ cell mutagenicity<br>Carcinogenicity | No information available.<br>No information available.<br>This product does not contain any carcinogens or potential carcinogens as listed by OSHA,<br>IARC or NTP. |
|--|---|
| Reproductive toxicity                                      | No information available.   |
| STOT - single exposure                                     | No information available.   |
| STOT - repeated exposure                                   | No information available.   |
| Target Organ Effects                                       | Respiratory system, lungs.  |
| Aspiration hazard  | No information available.   |

#### Numerical measures of toxicity - Product Information

#### The following values are calculated based on chapter 3.1 of the GHS document .

## **12. ECOLOGICAL INFORMATION**

## **Ecotoxicity**

#### Persistence and degradability No information available.

**<u>Bioaccumulation</u>** No information available.

#### Other adverse effects

No information available

| 13. DISPOSAL CONSIDERATIONS |   |  |  |  |
|-----------------------------|---|--|--|--|
| Waste treatment methods     |   |  |  |  |
| Disposal of wastes          | Disposal should be in accordance with applicable regional, national and local laws and regulations. |  |  |  |
| Contaminated packaging      | Do not reuse container.   |  |  |  |
| 14. TRANSPORT INFORMATION   |   |  |  |  |
|                             | 14. TRANSPORT INFORMATION   |  |  |  |
|                             |   |  |  |  |
| DOT                         | Not regulated   |  |  |  |
| DOT                         |   |  |  |  |

|            | 15. REGULATORY INFORMATION |
|------------|----------------------------|
| ADN        | Not regulated              |
| ADR        | Not regulated              |
| RID        | Not regulated              |
| IMDG       | Not regulated              |
| IATA       | Not regulated              |
| ICAO (air) | Not regulated              |

## US Federal Regulations

## **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

#### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

## **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

## US State Regulations

## U.S. State Right-to-Know Regulations

| Chemical Name               | New Jersey | Massachusetts | Pennsylvania |
|-----------------------------|------------|---------------|--------------|
