**Other precautions and protective equipment:**

Do not eat, drink or smoke while handling this material;

**10– Toxicological information**

The finished product is safe for users under normal and proper use.

**Acute toxicity:**

May be harmful if swallowed

**Irritancy:**

May be temporarily irritant to the eyes

**11 – Exposure control and personal protection**

Avoid contact with eyes;

Wear appropriate gloves and goggles;

Wash thoroughly after handling;  
Do not eat, drink or smoke when handling this material

#### **12 – Ecological information**

**Environment toxicity:** This product ingredients are expected to be safe for the environment at concentrations predicted under normal consumer use.

#### **13 – Disposal considerations**

Dispose this product in accordance with local and national regulations.

#### **14 – Transport regulations**

N/A

#### **15 – Regulatory information**

Product complies with Canada and US cosmetic regulation.

#### **16 – Other information:**

**Product use field:**

Professional use

Retail use

**NOTICE:** This Material Safety Data Sheet is based upon our current knowledge and considered to be accurate at the time of its preparation. We are not responsible for any damage or injury resulting from abnormal use, from any failure to follow appropriate practices or instructions.
